#### Re: NOTICE OF COMPLIANCE / SEAA 1304

Moab Irrigation Company:

This letter is to confirm that the actions required by SEAA 1304 have been satisfactorily completed.

The Division recognizes:

1. The commissioner's records confirm the meter on MIC pipeline 1 operated satisfactorily during the 2009 irrigation season. Moab Irrigation Co. will not be required to replace the meter.
2. Grand Water & Sewer Agency installed magnetic insertion meters on MIC pipelines 2 and 5. The commissioner's records demonstrate the meters functioned very well during the 2009 irrigation season.

We appreciate and thank the Moab Irrigation Co. and the Grand Water & Sewer Agency for your cooperation and prompt response.

Sincerely,

Susan Odekirk, P.E.  
Distribution Engineer
